

DURANGO AGILITY DOGS EQUIPMENT RULES

- ✓ **Make sure none of the equipment is over a sprinkler head**
- ✓ **Make sure that the contact equipment is a little ways away from sprinkler heads**
- ✓ **Replace any sprinkler flags you may have moved**
- ✓ **Put the wood pieces back under the contacts**
- ✓ **Put the chute away under the storage roof**
- ✓ **Pick up any jump bars off the ground**
- ✓ **Turn the tunnel openings down and put a tunnel bag strap across the tunnel body**
- ✓ **Put away any training aides you pulled out from under the storage roof**
- ✓ **Put away numbers - they blow around**
- ✓ **If you are out here with a couple of people, slide the big pieces of equipment to one side or the other so Mary can mow**
- ✓ **Pick up any “gamble tape” and golf tees you may have used**
- ✓ **Report any equipment problems to Jill**
- ✓ **Did you build a course or training exercise? If you can, put a copy in the grey box or email the membership and let us know about it.**
